> **International growth, integration and profitability.**

30 years	26	€7.6bn	+22%
leading companies	countries	Haramain High-Speed Railway	profit at Loxam Spain

PROFILE

Senior executive with 30 years of experience as CEO and Managing Director of industrial, construction and infrastructure groups across 26 countries. Led the bid and delivery of the Haramain High-Speed Railway between Medina and Mecca (€7.6bn), ran Loxam's Spanish subsidiary (profit up 22%, 31% market share, two acquisitions) and opened markets across Europe, Latin America, the Middle East, Asia and Africa. Expert in international expansion, post-acquisition integration, restructuring and management professionalisation, with a track record of leading multicultural teams and negotiating at the highest level with governments, partners and financial institutions.

EXPERIENCE

CEO
2021 – present

Worldmetor Group · Spain

Off-site construction company that manufactures, sells and installs prefabricated homes and buildings, and licenses turnkey factories.

- Delivered the group's first turnkey factory project in Saudi Arabia.
- Signed contracts in Morocco, Mexico, Brazil and Turkey.
- Drove international expansion through a licensing model that scales without capital investment in each country.

Corporate Managing Director
2011 – 2020

Al-Shoula Consortium · Haramain High-Speed Railway · Saudi Arabia

Set up and led the Spanish-Saudi consortium that won and delivered Saudi Arabia's first high-speed rail line, including 35 next-generation trains.

- Led the bid, negotiation and award of a €7.6bn contract.
- Negotiated a €1.3bn extension during construction, between Jeddah Central and the international airport.
- Delivered the project in full and at a profit, through rigorous procurement and tight execution control.
- Negotiated continuously with Saudi ministries, contractors, suppliers and partners with widely differing interests.

EXPERIENCE (CONTINUED)

Managing Director — 2007 – 2011

Loxam Spain

Led and expanded the Spanish subsidiary of the European construction equipment and modular building rental group, through organic growth and acquisitions.

- Increased profit by 22%.
- Completed the subsidiary's first two acquisitions, worth €32M.
- Introduced a new commercial strategy that took the company to a 31% share of the Spanish market.

International Business Development Director — 2003 – 2007

Dragados Industrial · Brazil

Built the international department from scratch and won projects from industrial companies and public authorities.

- Responsible for operations in Brazil, Venezuela and Mexico, from which the company entered Colombia and Argentina.
- Proposed the acquisition of Pike Electric (Florida) to enter the United States; the deal was approved.

International Sales Director — 1999 – 2003

Composan · Spain

Designed and executed the international strategy of this building materials manufacturer.

- Set up subsidiaries and sales networks in China, the Middle East, Brazil, Argentina and seven European countries.
- Grew total company sales by 33%.

Export Manager — 1996 – 1999

Electromecánicas Aljo · Spain

Joined as a sales representative and was promoted to export manager of this lift and component manufacturer.

- Exported to 23 countries across Europe, the Americas, Asia, the Middle East and Africa.
- Grew total company sales by 35%.

KEY ACHIEVEMENTS

- Won and delivered at a profit a €7.6bn railway contract, plus a €1.3bn extension.
- Increased profit by 22% and reached a 31% market share as head of Loxam Spain.
- Successfully integrated two acquisitions worth €32M.
- Grew sales by 33% and 35% at industrial manufacturers through international expansion.
- Opened subsidiaries and sales networks in Latin America, the Middle East, China and Europe.

AVAILABILITY
